

February 27, 2024 East Bridgewater Historical Minutes

Call to order at 6:35pm in the upstairs conference room at the town office building. Member attending Dale Julius, Lexie Waugh, Norma Callahan, Lois Nelson, Josh Sampson. Alternate member Katie Cavanagh.

Met with Craig Winsor from Plymouth Street. He is looking into the possibility of creating a 100x100foot lot on the site of the Azor Harris house on Plymouth Street and donating it to the town. He would like it to be under the supervision of the Historical Commission and sought our approval of such a plan before taking it to other town boards. Motion Lois, second Lexie to approve this idea. Unanimous vote yes.

We reviewed a draft article for the Annual Town Report. Motion Lexi, second Josh to approve it and for Dale to submit pictures. Unanimous vote yes.

We are still looking for a solution to our storage problems. We set a tentative date of March 9th to pack up our remaining files and artifacts at the library.

We set the following meeting schedule for Spring. March 26, April 23, and May 21. All at 6:30pm in whatever meeting room is available.

Meeting adjourned at 8pm
